# *The* Needtobreathe CLASSIC

hosted by Commonwealth Cares Foundation

March 27, 2017  
Ralston Creek Course  
Daniel Island, SC

## NAMES BEHIND THE TOURNAMENT

**OneWorld Health** (OWH), a non-profit organization based in Charleston, SC, is revolutionizing the approach to medical intervention in the developing world by moving beyond relief to achieve long-term improvements in health. In a world where nearly half the population lives on less than \$2 per day (Source: UN, 2013), socialized healthcare systems are overcrowded, poorly equipped, and underfunded. OWH is bridging the gap between ineffective, socialized care and unaffordable, private care. By creating sustainable medical centers that offer low-cost services, OWH is able to increase accessibility to high-quality healthcare and empower communities for a healthy tomorrow.

Incorporated in 2007 as the charitable arm of Commonwealth Financial Group, **Commonwealth Cares Foundation** is a tangible manifestation of their corporate vision that success is measured by the lives we change, the impact we have on others, and our involvement as responsible community members. The foundation initially provided gifts and raised awareness for local organizations through this annual charity golf event. Today, the Foundation, a 501(c) 3 organization, is an active member in the community. Through outreach efforts and generous giving by dedicated volunteers and corporate sponsors, they've had a lasting impact on people and organizations close to our hearts. Winston Churchill once wrote, "We make a living by what we get; we make a life by what we give".

**NEEDTOBREATHE** is a GRAMMY-nominated rock band hailing from South Carolina, comprised of brothers Bear Rinehart (vocals, guitar) and Bo Rinehart (guitar, vocals), Seth Bolt (bass, vocals), and Josh Lovelace (keys, vocals). Their new album *HARD LOVE* released July 2016 and debuted at #1 on the Billboard Top Albums, Top Current Albums, Top Rock Albums and Top Alternative Albums charts and #2 on the Billboard 200, their greatest debut yet. *HARD LOVE* is the follow-up to 2014's *Rivers In the Wasteland*, which debuted at #3 overall on the Billboard 200 and spawned the RIAA-certified Gold single "Brother (feat. Gavin DeGraw)." The hit earned the group their first GRAMMY nomination as well as a pair of Billboard Music Award nominations.
